

On-Line Account Opening Signature Card

It is important that we have your signature on file at the credit union. There are certain transactions that require a signature to proceed, such as encashment of checks drawn on your account.

***If you are 16-18 years old, please include a copy of your driver's license.**

Please return your signature card and copy of driver's license*, if applicable, by mail or fax, to the Credit Union within 5 business days of account opening. Failure to do so may result in account closure.
